

Community Meeting Announcement

Preserving ? Quality of Life

Date Time

Location

Street Address, Town & Zip

Over the next decade, ? or more homes may be added to the (area). With your support we can ensure that this growth does not add to the impacts of past, poorly planned development:

- overcrowded schools,
- congested roads, and
- polluted waters.

At the (date) meeting we'll share our responsible growth management strategy for accommodating additional development while making our roads, schools and creeks better.
